

## Graphic Designer Full-Time Permanent Position

---

Panthers Group is looking for an experienced, highly organised, creative graphic designer with an impressive portfolio as well as a desire to produce work that exceeds expectations.

This full time position will be split between football and club marketing. Three days per week within the football marketing department and 2 days per week within the club marketing department.

### **Skillset required:**

- Ability to think laterally and create unique designs that capture attention
- Exceptional organisational and project management attributes
- Excellent time management skills and deadline driven
- Motivated with a positive, can-do attitude
- Exceptional traditional graphic design skills using Adobe Creative Suite
- Strong animation capabilities specifically proficient in Adobe After Effects with knowledge of: Adobe Light room/Photoshop to touch-up still shot photography and Adobe Premier Pro to assist with editing videos.

### **Primary football duties include:**

- Approximately 24 hours per week
- Located in the Football marketing department office at the Panthers Rugby League Academy.
- Design outputs for football including all digital and print
- Animation creations across a variety of mediums
- Developing and managing a template library
- Working alongside stakeholders to deliver various print outputs
- Assisting with brand development and management.

### **Primary club duties include:**

- Approximately 16 hours per week
- Located in the Panthers Group marketing department office at Panthers Penrith
- Co-ordinating the outsourcing of graphic design work to various designers
- Designing relevant outputs when required.

Some weekend work is required.

If you are interested in this position, please submit your portfolio with your CV and cover letter using the details below.
